Indigenous Nations within Modern Nation States deals with the diverse perspectives of Indigenous peoples and their nations. There is considerable discussion on how academic disciplines, and mainstream culture, tend to distort the validity of Indigenous perspectives and knowledge, while marginalizing them at the same time.

The growth of the modern nation state picked up pace after the war and during the 1960s when many African states became independent from their colonial rulers. Further, with the spread of modern communication technologies, it was easier for the indigenous people to rise up as a unit and overthrow their
