Compared to Chris Hedges' *Losing Moses on the Freeway*, Jeremiah, "the weeping prophet," works the sunny side of the street. Hedges, a long-time war correspondent for *The New York Times*, has seen more than his share of human horrors. His book argues that without the Ten Commandments to guide them, human beings degenerate into jungle animals.

A Review of Losing Moses on the Freeway: The 10 ...

Protestants, Catholics and Jews have compiled slightly different lists, but the core of the Commandments remains the same. Muslims, while they do not list the Commandments in the Koran, do honor the laws of Moses, whom they see as a prophet. The Commandments, however, are not simply rules. "The commandments," writes Chris Hedges in *Losing Moses on the Freeway* (Free Press, 2005), "are one of the earliest attempts to lay down rules and guidelines to sustain community."

In this episode, I cross the border into Iran and travel to Tabriz, then on to the Alamut Valley. The first thing I see at the border is people smuggling cigarettes! In a small town on the border, I get told with a throat-slitting gesture that I must wear a hijab in Iran or be killed. This advice was overly dramatic for places like Tehran, which are fairly cosmopolitan (though you'd still get ...
