### **Midnight In Europe**

With Midnight in Europe Alan Furst is now a good novelist simply going

## Access Free Midnight In Europe

through the motions. His characters are stereotypes and the plots, always his weakness, are more lifeless than usual. He has lost his edge. Frustratingly, Furst insists on patronizing his readers with ham-handed history lessons.

### **Midnight in Europe (Night Soldiers, #13) by Alan Furst**

'Midnight in Europe' is an example of the downward trend with a central character who is implausible as he flits around Europe and through various beds in 1938, at a time when travel was difficult. The political scenarios, the arms purchase for Spanish Republicans tale, and the various 'love interest' tales are just too fluffy.

Europe at Midnight is the second in Dave Hutchinson's Fractured Europe series; although it isn't quite a sequel to Europe in Autumn and could reasonably easily be read as a standalone novel, reading Europe in Autumn first fills in some of the background, and reading Europe at Midnight first would take away the impact of one of the major plot twists in Europe in Autumn.
