A person's height has no relationship to the size of their genitals-- or, in your case, on the length of the vaginal canal.. The vaginal canal in any person isn't even one static size, anyway: it changes. When we're less aroused, the vaginal walls are tighter, and the back of the vagina and cervix are closer to the opening. When we become highly sexually aroused, the cervix pulls back, the ...

The first four tracks are real good. I was already familiar with 'The Ghetto' and 'It's Your Life' from when they came out in 1990 but this introduced me to 'Short But Funky' which is a killer Too Short track. Unfortunately, the rest of the album is repetitive, uninspired sex tracks similar to most of 2 Llive Crews work.
