We clean and flow test Siemens Deka fuel injectors to insure proper functionality at all levels of
operation. Supply Siemens injector connectors.

Siemens Deka fuel injectors flow rates, injector connectors

Everyone, first off, the famously called 60# injectors are made by SD (Siemens Deka), who is now Continental. They were marketed under many different brands (Mototron being one). SD is also currently developing a true 83# injector (that'll be nice for all us Ford owners).
