Silent Heroes Downed Airmen And

This is an amazing book and one of the best, easier to read books about downed airmen and the French Resistance networks who helped them escape. Very refreshing to find an author who doesn't try to whitewash the Nazis, too. She just lays it out, without getting too graphic or glossing over the facts. Very balanced, and very easy to read.

In the early years of World War II, it was an amazing feat for an Allied airman shot down over occupied Europe to make it back to England. By 1943, however, pilots and crew members, supplied with "escape kits," knew they had a 50 percent chance of evading capture and returning home. An estimated 12,000 French civilians helped make this possible. More than 5,000 airmen, many of them ...

The University Press of Kentucky. In the early years of World War II, it was an amazing feat for an Allied airman shot down over occupied Europe to make it back to England.

Silent Heroes; Downed Airmen and the French Underground by ...

Typically, downed airmen were found, fed, clothed, given false identity papers, and hidden in attics, cellars, and people's homes by a network of volunteers who worked with the escape lines. Airmen were then accompanied by guides, also volunteers, to neutral countries. The most common routes were from Belgium and northern France to Spain.
