The Social Contract And Discourses (Everyman): Amazon.co ...

The Social Contract, originally published as On the Social Contract; or, Principles of Political Rights by Jean-Jacques Rousseau, is a 1762 book in which Rousseau theorized about the best way to establish a political community in the face of the problems of commercial society, which he had already identified in his Discourse on Inequality. The Social Contract helped inspire political reforms or revolutions in Europe, especially in France. The Social Contract argued against the ...

The Social Contract and Discourses: Jean-Jacques Rousseau ...

Rousseau's solution to the problem of legitimate authority is the "social contract," an agreement by which the people band together for their mutual preservation. This act of association creates a collective body called the "sovereign." The sovereign is the supreme authority in the state, and has its own life and will.
