War & Conflict in Africa by Paul D. Williams

Although some scholars on conflict in Africa (Obasanjo 1991, Anyang' Nyong'o 1991 and Msabaha 1991) agree that conflict in Africa stems primarily from crises of national governance and from the failure of governmental institutions in African countries to mediate conflict, this article engages the colonial factor as the root of many conflicts in Africa.

Conflict and conflict resolution in Africa - ACCORD

"War and Conflict in Africa" is split into three sections: context, ingredients and responses (as Williams calls them). The first section dives right in to the vast literature on African conflicts, describing everything from the colonial history to international relations theory as it relates to the continent.
