History is the story of our human past. Historians study and write about what people did long ago. Histori-ans tell us that history began when people first began to write—about 5,500 years ago. The time before this is called prehistory. This is when the human story really begins. Tools of Discovery We study the earliest people and the things

travel across parts of Africa. In 1906 a teacher named Hans Vischer explored what he called the "death road," a trade route connecting western Africa to the coast of the Mediterranean Sea. No European or American had ever risked the journey before. The "death road" crossed more than 1,500 miles (2,414 km) of the
